

**INFORMATION FOR DONORS**

Thank you for expressing interest in offering financial support for The Armidale Playhouse (APH). As you might know, we are a not-for-profit incorporated association formed to promote the practice and presentation of community performing arts, in regional NSW. The principal objectives of APH are to develop and maintain a community theatre for the performance of performing arts; and to provide opportunities for theatre and performance rehearsal with also production training to include areas such a lighting, sound and costuming.

You can support the APH with a **tax-deductible donation** to the Armidale Playhouse Gift Fund as we are on the Register of Cultural Organisations and have tax deductibility status under subdivision 30-F of the *Income Tax Assessment Act 1997*. Donors can also be recorded on our website.
